G Series

Changes to Location & Production for G Toggles with Right Angle & Vertical Terminals

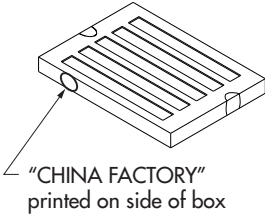

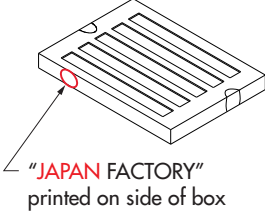

Type of Change:

- Engineering Part Number
 Product Appearance

There will be revisions to the production and manufacture location for nonilluminated G Toggles with right angle or vertical terminals. Previously, the lot code had a dot mark above the first digit, but now the dot mark will not be displayed. The shipping box for these G Toggles had "CHINA FACTORY" on the side, but will be replaced with "JAPAN FACTORY." These changes will apply to both standard and custom right angle and vertical G Toggles.

Changes for G Series Toggles

	Lot Number	Shipping Box
Before Changes	Dot Mark Above First Digit  Enlarged to Show Detail	 "CHINA FACTORY" printed on side of box
After Changes	No Dot Mark Above Lot Number  Enlarged to Show Detail	 "JAPAN FACTORY" printed on side of box

Notes

There are no changes to the switches' dimensions or specifications.
 The location of the Lot Number on switch case may vary depending on the part number.
 Contact the factory if more details are needed.

Standard G Series Right Angle Toggles Effected by Location & Production Changes

G12AH	G13AH	G15AH	G18AH	G19AH
